

The Cross-ministerial Strategic Innovation Promotion Program: SIP / Construction of the Smart Mobility Platform  
"Mobility Oriented Development (MOD) with an Agglomeration of Places for Social Exchange"

Mobility Oriented Development

# MOD Collaboration Meeting

Mobility HINT Series #2

Registration

# Smart Mobility Platform for Changing the City

**January 26, 2024 Fri.**  
**14:00 - 16:30 (JST)**

The new Mobility will create a variety of knowledge and emotion exchanges in addition to the transportation of people and products. We will share with participants what perspectives are needed to realize "Mobility Oriented Development (MOD)," which evolves into a virtuous circle where various exchanges accumulate and generate further exchanges.

**Venue: MIRAI CREA 1F**  
**Hiroshima University (Zoom Hybrid)**  
**Participation Fee: Free**  
**Language: Japanese and English**  
**(Simultaneous interpretation)**

**Organizer: Hiroshima University**
